

REEF-SUNSET UNIFIED SCHOOL DISTRICT
BOARD OF TRUSTEE SPECIAL MEETING
MINUTES OF NOVEMBER 29, 2012 – 5:00 P.M.
AHS CAFETERIA

A special meeting of the Reef-Sunset Unified School District Board of Trustees was held on this date in the Avenal High School Cafeteria located at 601 Mariposa St., Avenal, CA 93204.

BOARD MEMBERS PRESENT:

Larry Bunch, President(*absent*)
Gail Monohon, Clerk
Ricardo Verdugo(*absent*)
Jose Barrera (*absent*)
Bill Hatcher (*absent*)
Isavel Cancino(*student Board member*)

PUBLIC COMMENT: None

DISCUSSION ITEMS:

A. Update on Measure A Financing and AHS Stadium Project:
Dr. East reviewed bond financing options and explained how the assessed value rate affects the amount of bond proceeds the district receives for each issuance. He then reviewed the stadium plans that have been presented thus far. There was discussion regarding synthetic fields and the potential for damage due to the earth movement that is prevalent in the area. There was concern expressed that the overall project is being downsized to fit budget constraints and that this has been done in the past with other bond projects. Many parents expressed concern over their children playing on the synthetic fields and they preferred natural turf. Others stated they didn't care for the orientation of the home stands, and if the district can save money by maintaining the north side of the home stands, they should do so. Architect David Iwanaga will revise plans that will eliminate synthetic turf, orientation of the home stands to north side, increase concrete areas on south side of the stadium with an added relocatable restroom.

ADJOURNMENT: There being no further business the meeting was adjourned at 6:45 p.m.
