## School Accountability Report Card

A Report of 2017-18 Activity Published in February 2019

### Principal's Message

Welcome to Reef Sunset Primary Community Day School! The purpose of this School Accountability Report Card is to provide parents and the community with information about academic achievements, adequacy of instructional materials, status of campus facilities, student safety practices, qualifications of professional staff, and progress in meeting state standards. This report is provided in accordance with Proposition 98; every school in the state of California is required to publish this report annually.

We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program is a reflection of our highly committed staff. Our school provides a welcoming, stimulating environment where students are actively involved in learning academics through a standards-based curriculum. We hold both staff and students accountable for their work, as we provide educational programs that meet or exceed state standards. Using assessment data to drive curricular programs, teachers analyze this information to develop effective instructional strategies and differentiated instruction that enable our students to reach proficiency. Collaborative efforts among administration, teaching staff, and parents will ensure students thrive in an environment that fosters emotional and academic success.

### District Mission

Reef-Sunset Unified School District is committed to providing a rigorous, inspiring and nurturing educational program.

### School Description

Reef-Sunset Unified School District is located in the city of Avenal which is situated on the coastal range foothills in the Western San Joaquin Valley in Kings County. More than 2,600 students in grades TK-12 receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of three elementary schools, one junior high school, one comprehensive high school, two continuation high schools, one elementary community day school, and one secondary community day school.

Reef Sunset Primary Community Day has a primary campus for grades K-6 located on the Avenal Elementary School campus, in the southwest area of Avenal. At the beginning of the 2017-18 school year, no students were enrolled at Reef Sunset Primary Community Day School. Enrollment continuously fluctuates throughout the year simply due to the temporary nature of the program.

The community day school serves students who have been expelled, placed on probation, or referred under special circumstances by the primary schools in the district. A low student-to-teacher ratio enables students to receive individualized instruction and assessment in a small, self-contained classroom environment. Students typically return to their home school after they have completed a semester or one-year term in the community day program.

### Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout Rates, including the Dropout chart; and Graduation Rates, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

## Parent Involvement

Parents are encouraged to support their child's efforts at home by attending parent conferences and parent education workshops. The School Site Council, Parent Leadership Team, English Learner Advisory Committee, and district's Parent Advisory Council offer parents the opportunity to obtain current information about the school, district, student assessments and progress with academic achievement as well as the opportunity the address their individual concerns. For more information about school programs, parents may contact Noemi (at the Sunrise High School campus) at (559) 386-4162.

All school-to-home communication is provided in English and Spanish. School staff contact parents individually to discuss student progress and concerns. Letters to parents are distributed as a handout or mailed to students' homes on an as-needed basis. The district distributes important information about districtwide activities, policies, and announcements throughout the year when appropriate. Parents may access the Parent Portal (Aeries), an Internet-based student information system, to securely obtain their student's grades, attendance record, academic progress, and teacher contact data; a link is available on the district's website home page at [www.rsusd.net](http://www.rsusd.net).

## Student Achievement

### District Benchmark Assessments

Reef-Sunset Unified School District administers English Language Arts and Mathematics benchmarks to evaluate instructional programs and measure student proficiency. During the 2017-18 school year, benchmark assessments were administered to all students in English language arts and math three times. Test results are used to 1) help teachers identify areas where instruction may or may not be effective, 2) guide classroom instruction, and 3) identify students who need targeted academic assistance or intervention.

### Physical Fitness

In the spring of each year, Reef Sunset Primary Community Day is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." To maintain confidentiality, results for the 2017-18 fitness exam are not disclosed in this report because there were no students enrolled at the school. Comparative district and state results can be found at the CDE's website [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

### California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

Mathematics	0	0	14	15	37	38

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Cells with N/A values do not require data.

The 2016-17 data is not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018-19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016-17 and 2017-18) and the CAA for Science will be field-tested in 2018-19.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

## School Facilities & Safety

### Facilities Profile

Reef Sunset Primary Community Day provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff. Students have access to the Avenal Elementary School's library and a designated play area for recess activities.

Campus Description	
Acreage	0
Bldg. Square Footage	43336
	Quantity
# of Permanent Classrooms	0
# of Portable Classrooms	1
# of Restrooms (student use)	1 unisex

### School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Reef Sunset Primary Community Day in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. Reef Sunset Primary Community Day's plan is a component of the Avenal Elementary School safety plan which was reviewed, updated, and shared with school staff in January 2019.

Campus culture promotes a secure learning environment that encourages mutual respect, safe and healthy relationships, dignity, and equality. Bullying and harassment are not tolerated. The district has employed policies, procedures, and practices to reduce and eliminate bullying and harassment as well as the means to address such incidents when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

### Supervision & Safety

Each morning as students arrive on campus, they are required to report directly to their classroom. During recess and lunch period, the teacher and instructional aide share supervision of students in designated areas. When students are dismissed at the end of the day, they are released from the classroom to an authorized parent or guardian. The teacher and instructional aide ensure students depart in a safe and orderly manner. To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival and then return to the school office upon departure.

### School Inspections

Reef Sunset Primary Community Day works closely with M&O for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection took place on August 2018. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2017-18 school year, 100% of restrooms were fully operational and available for student use at all times.

### Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers submit a request form for unscheduled projects and special requests to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff.

Day and evening custodians are assigned to the campus and work closely with the site teacher to manage routine maintenance, daily custodial duties, and special events. The community day campus shares the custodians assigned to Avenal Elementary School. The community day school's site teacher, the principal, and day custodians communicate daily concerning cleaning needs and safety issues. Every morning before school begins, the lead custodian inspects facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds. Custodians are responsible for general cleaning of restrooms, classrooms, and office areas. Every morning and afternoon, custodians check restrooms for cleanliness and supplies. Each site teacher checks the restrooms after the morning nutrition break and after lunch as a proactive measure in keeping restrooms adequately stocked and sanitary. Groundskeepers are dispatched by the district office as needed to perform general gardening and maintenance work.

## Classroom Environment

### Discipline & Climate for Learning

Reef Sunset Primary Community Day teachers take a proactive approach to minimizing classroom disruptions. Behavior expectations, school rules, and consequences for poor conduct are clearly explained.

Prior to enrollment, students and their parents meet with the principal and site teachers to develop the participating student's learning plan and establish expectations. Upon enrollment and at the beginning of the school year, each student is provided a student handbook which clearly outlines school rules, safety procedures, academic guidelines, and behavior expectations. Throughout the year on an as needed basis, the principal and teachers remind students to conduct themselves in a safe and responsible manner.

Reef Sunset Primary Community Day employs a progressive discipline approach which involves the student, parent, and administrator in the behavior improvement process. Disciplinary measures are initially applied in the classroom. Students who continue to have difficulty with their behavior are referred to the principal who considers past behavior and severity of infraction when considering consequences. Disciplinary action is administered in a fair, firm, and consistent manner. Teachers immediately reinforce and acknowledge good behavior and positive academic efforts as it takes place.

#### Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes in core subjects, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. There were no students enrolled for the 2017-18 school year; therefore, no data is reported.

## Curriculum & Instruction

#### Staff Development

Staff development concentrations are selected and identified based on student performance on district formative and state assessments, Common Core State Standards, and federal grant requirements.

During the 2016-17, 2017-18, and 2018-19 school years, Reef Sunset Unified School District held district-sponsored staff development days that focused on the following topics:

FCOE representatives worked with the principal and teaching staff to develop an effective classroom observation/self-assessment system to evaluate daily instructional practices. Following a highly structured rubric, classroom observations address the teacher's use of employing state standards instruction and instructional strategies techniques. Observation results are used to identify individual and schoolwide strengths and weaknesses in delivering lessons that successfully convey course content and concepts.

The district supports ongoing staff training for new teachers and teachers new to the district. At the beginning of each school year, the district conducts a training session covering the math and language arts curricula. During the school year, teachers receive follow-up training at the county office location in Kings County and other neighboring districts and county agencies.

Reef-Sunset Unified School District and the Kings County Office of Education jointly support new and veteran teachers in developing their teaching skills. Beginning Teacher Support and Assessment (BTSA), a state-sponsored program, is designed for first- and second-year credentialed teachers and provides skills assistance over a three-year period.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by neighboring county offices of education. Long-term substitutes who are actively teaching in the classroom are expected to participate in Wednesday staff meetings and training activities.

Classified support staff are provided job-related training from vendors, department supervisors, and professional agencies.

#### Site-Based Staff Development

Reef Sunset Primary Community Day's teacher works closely with Avenal High School's staff to acquire the necessary techniques and strategies proven to help students succeed. Based on teacher feedback and student assessment data results, training activities held on early out days focused on department-level collaboration and goals related to Technology Training, Language Objectives, Lesson Design for Block Schedule, Google Docs, and Google Teacher Certification.

#### Instructional Materials

All textbooks used in the core curriculum throughout Reef-Sunset Unified School District are being aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption.

On September 20, 2018, the Reef-Sunset Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #2018:12 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) textbooks and instructional materials are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, language arts, social studies, and science, (4) sufficient textbooks or instructional materials were provided to each student enrolled in foreign language or health classes, and (5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9 to 12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2018-19 school year, Reef-Sunset Unified School District provided all students enrolled in a visual/performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the Common Core State Standards.

## Professional Staff

### Support Services Staff

Reef Sunset Primary Community Day school students have access to district and county support services on an as-needed basis. As a qualified counselor as well as teacher, Mr. Terry Cunningham is available to serve the counseling needs for students enrolled at the community day campus.

The district psychologist is available to assist with academic, social, and emotional issues, provide assessments to determine eligibility for Special Education services, and facilitate coordination of Individual Education Plans (IEP). The district nurse is responsible for mandatory health screenings. Students and their families who require counseling are referred to professionals in the community; social workers are appointed by the court when necessary.

Reef-Sunset Unified School District is a member of the multi-district Kings County Special Education Local Plan Area (SELPA), which serves 14 school districts in Kings County. The SELPA enables participating school districts to pool resources and expertise in the field of special education.

Community resources and local service agencies have formed an ongoing partnership with Reef Sunset Primary Community Day to help students and their families. Community services offer tutorial assistance, clothing, food, utility assistance with PG&E bills, and referrals to housing and medical services through the Healthy Start Services Program administered through Business Services at the District Office. For more information contact Leticia at (559) 386-4230 or visit the district's website at [www.rsusd.net](http://www.rsusd.net).

### Teacher Assignment

During the 2017-18 school year, Reef Sunset Primary Community Day School had no teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

# District Expenditures

## Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state.

## Expenditures Per Student

For the 2016-17 school year, Reef-Sunset Unified School District spent an average of \$11,696 of total general funds to educate each student (based on 2016-17 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report (1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and (2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Reef-Sunset Unified School District receives state and federal categorical funding for special programs. For the 2016-17 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Clean Energy Jobs Act
- Career Technical Education Incentive Grant Program
- College Readiness Block Grant
- Education Protection Account
- Lottery: Instructional Materials
- Medi-cal Billing Option
- Other Local: Locally Defined
- Partnership Academies Program
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I, II, III
- Vocational Programs

Note: The California Department of Education issued guidance to LEAs on August 1, 2018 regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

## SARC Data & Internet Access

### DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Reef Sunset Primary Community Day School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to, CAASPP results, Physical Fitness results, Suspensions and Expulsions, Dropout & Graduation Rates, enrollment, and staffing statistics.

### Public Internet Access Location

Parents may access Reef Sunset Primary Community Day's SARC and access the Internet at any of the county's public libraries. The closest library to the campus is located at 501 East Kings Street, Avenal.
